

## **CTK E-News- January 4, 2018**

This weekend we explore, celebrate and discover the transformational baptism of our Lord Jesus Christ! This is another step on the journey we take each year with Jesus Christ and each other. We will reaffirm our own baptism as a part of this Sunday's service. And we will discuss, during growth group time after worship, how baptism affects our mission and ministry as individuals and as a Christian community. I am so looking forward to this time of worship, fellowship and exploration of what transformational ministry looks like to you!

P.S. - I didn't open up the discussion last week about some of your favorite Christmas stories and memories (Sorry!). I'll be sure to mention this during coffee at fellowship this week so bring any that you would like to share!

On Sunday the 14<sup>th</sup> we will have a guest delivering the message. Tom Grant is a successful business person and a leader in many areas of lay ministry at Calvary in Clarkston. His passion for helping people in his life and love of Jesus Christ shines through in his down to earth personality, easy going manner and continuing desire to witness to the love of Jesus Christ in his relationships. Let's give him a warm welcome and get ready for an inspiring message.

Pray for peace in the world and help for the homeless...

Intern Pastor Ken
